- Yuko Pangestu
- Bu Weni (Avrist)
- Pak Dian (Avrist)
- Pak Mulyanto (Avrist)
- Pak Hasan (Avrist)

Content:

- Payment Information by Midtrans
  - Payment will use **Charge** method, not using **recurring** method
  - Payment will only for Credit Card
  - If the credit card is expired, system will send email to customer a link for payment form to update the credit card number again
  - For the charge method, user do not have to input the credit card anymore but we can do the charge manually by token id from Midtrans
- Avrist wants the payment page to be applicable for all avrist product in the future like other e-commerce platform for example, it will not have any heavy effort.

Next Action:

- Bandingin.com gives Avrist the flowchart of the payment (how the payment process goes) just for confirming the understanding between Avrist and Bandingin.com
- Bandingin.com to give Avrist the BRD and FRD tomorrow as to proceed with the timeline and they will promise to review it in one day only
